AMAZING GRACE

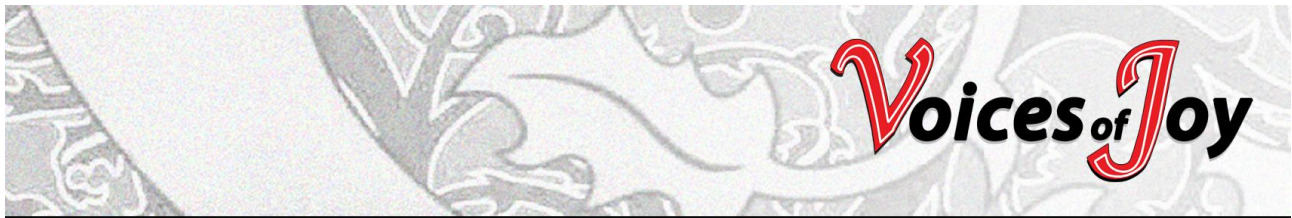

Amazing grace how sweet the sound

And grace my fears relieved
How precious did that grace appear
The hour I first believed

BLOWIN' IN THE WIND

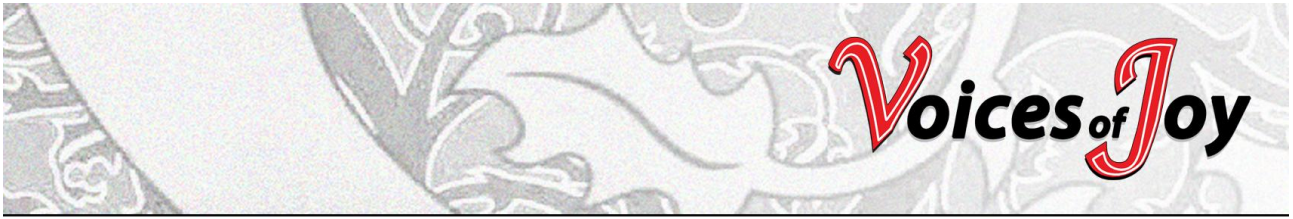

How many roads must a man walk down (How many roads)

Before you call him a man? (How many roads, how many seas)
How many seas must a white dove sail
Before she sleeps in the sand?(How many times)
How many times must the cannon balls fly Before they're forever banned?
The answer, my friend, is blowin' in the wind The answer is blowin' in the wind
How many roads must a man walk down (How many roads)
Before you call him a man? (How many roads, how many seas)
How many seas must a white dove sail
Before she sleeps in the sand?(How many times)
How many times must the cannon balls fly Before they're forever banned?
The answer, my friend, is blowin' in the wind The answer is blowin' in the wind
How many times must a man look up Before he can see the sky?
Yes, 'n' how many ears must one man have Before he can hear people cry?
Yes, 'n' how many deaths will it take till he knows That too many people have died?
The answer, my friend, is blowin' in the wind, The answer is blowin' in the wind.
How many years can a mountain exist (How many years)
Before it's washed to the sea? (How many years, how many years)
How many years must some people exist
Before they're allowed to be free?(How many times)
And how many times can a man turn his head
And pretend that he just doesn't see - the answer

DELIVER US

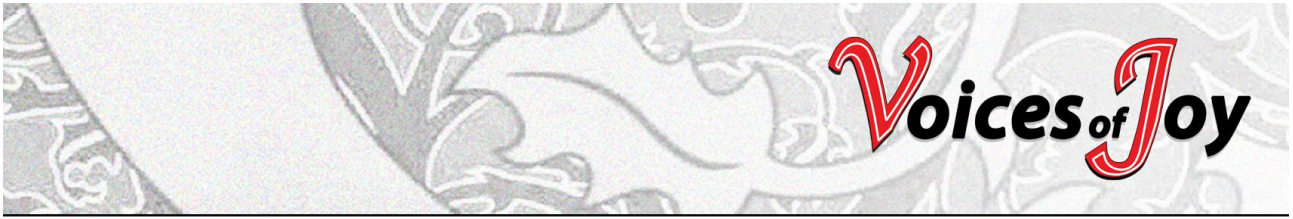

Mud...Sand...Water...Straw...Faster!
Mud...And lift...Sand...And Pull
Water...And raise up...Straw...Faster!
With the sting of the whip on my shoulder
With the salt of my sweat on my brow
Elohim, God on high
Can you hear your people cry:
Help us now
This dark hour...
Deliver us Hear our call
Deliver us Lord of all
Remember us, here in this burning sand
Deliver us
There's a land you promised us
Deliver us to the promised land...
Yal-di ha-tov veh ha-rach
Al ti-ra veh al tif-chad
My son, I have nothing I can give
But this chance that you may live
I pray we'll meet again
If He will deliver us

Deliver us Hear our prayer
Deliver us From despair
These years of slavery grow
too cruel to stand
Deliver us
There's a land you promised us
Deliver us
Out of bondage and
Deliver us to the promised land...
Hush now, my baby
Be still, love, don't cry
Sleep as you're rocked by the stream
Sleep and remember my last lullaby
So I'll be with you when you dream
River, o river
Flow gently for me
Such precious cargo you bear
Do you know somewhere
he can live free?
River, deliver him there...
Brother, you're safe now
And safe may you stay
For I have a prayer just for you:
Grow, baby brother
Come back someday
Come and deliver us, too...
Deliver us
Send a shepherd to shepherd us
And deliver us to the promised land
Deliver us to the promised land
Yocheved
Deliver us

I HEARD THE VOICE OF JESUS

I heard the voice of Jesus sayin'

"Go march to me and pray

Take down my will be one lay down,

lie there upon my prayer".

I heard the voice of Jesus saying'

"Come on to me and rest

Lay down my weed be one lay down

Lie here upon my praise".

I kneeled to Jesus as I was

Bereaved and walked the stairs

I found in him a resting place

And here I'll stay 'n be glad

Take my whole upon you

Lay down on me

For my love is easy

And might burn on all life

Yes, it might burn on all life

Take my whole upon you

Lay down by me

For my love is easy

And might burn on all life

And it might burn on all life

I heard the voice of Jesus saying'

"Be all I breathe begin

The living voices that did die

Took down and breathed and lived".

I raised to Jesus and I found out

That all I need is breathe

I thought of him of how he died

And now I'm here in peace

I heard the voice of Jesus sayin'

"I am the salt of life

Look onto me, thy mourn shall rise

And all thy days deprived

I looked to Jesus and I found

Here in my soul his salt

And in the light long life I walked

Tear-tremblin' days all died

Take my whole upon you

Lay down by me

For my love is easy

And might burn on all life

And it might burn on all life

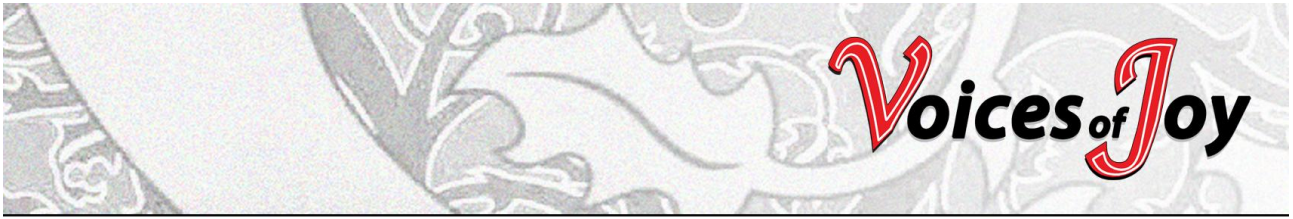

I heard the voice of Jesus sayin'

"Go march to me and pray

Take down my will be one lay down,

lie there upon my prayer".

I heard the voice of Jesus saying'

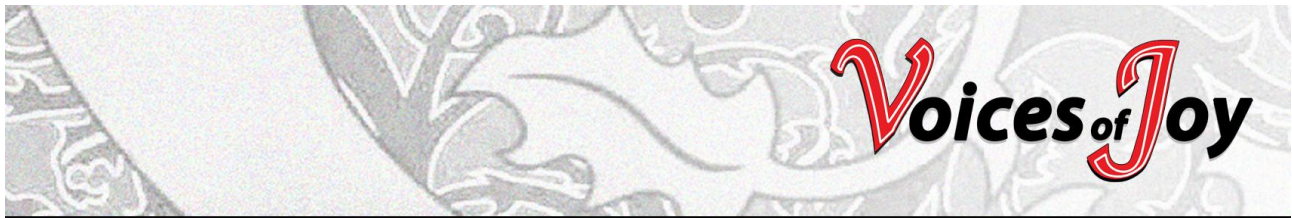

"Come on to me and rest" (4x)

I LOVE THE LORD

I love the Lord
He heard my cry
And pitied every groan
Long as I live
And troubles rise
I'll hasten to his throne
I love the Lord
He heard my cry
And pitied every groan
Long as I live
And troubles rise
I'll hasten to his throne
I'll hasten to his throne (8x)

I STILL HAVEN'T FOUND WHAT I'M LOOKING FOR

I have climbed the highest mountain
I have run through the fields
Only to be with you
Only to be with you
I have run, I have crawled
I have scaled these city walls
These city walls
Only to be with you
But I still haven't found what I'm looking for (2x)
I have kissed honey lips
Felt the healing in her finger tips
It burned like fire
(I was) burning inside her
I have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night
I was cold as a stone
But I still haven't found what I'm looking for (2x)
I believe in the kingdom come
Then all the colours will bleed into one
Bleed into one
But, yes, I'm still running
You broke the bonds
And you loosed the chains
Carried the cross of my shame
Oh my shame, you know I believe it
But I still haven't found what I'm looking for (2x)
I have climbed I have climbed
the highest mountain highest mountain
I have run I have run
through the fields through the fields
Only to be with you Only to be with you
Only to be with you just to be with you
I have run
I have crawled
I have scaled

These city walls
These city walls
Only to be with you
But I still haven't found what I'm looking for (4x)
I believe in the kingdom come, all the colours bleed into one I believe
But I still haven't found what I'm looking for...
But I still haven't found what I'm looking for

Follow him wherever He may go
And hear He may always will be
And nothing can keep me away

A mountain so high can keep
Keep me away... away from His love.
I love Him (3x)
and where He goes
I'll follow (3x)
I will follow Him,
Follow Him wherever He may go.
There isn't an ocean too deep,
A mountain so high can keep,

A mountain so high can keep
Keep us away, away from His love.

All the colours of the rainbow
All the voices of the wind
Every dream that reaches out
Reaches out to find your lovely games
Every word of every story
Every star and every sky

Every corner of creation lives to testify
From the mountains to the valley
From the rivers to the sea
Every hand that reaches out
Every hand that reaches out to offer peace
Every simple act of mercy
Every step the kingdom come
All the hope in every heart
Will speak what love has done

RIT 2x

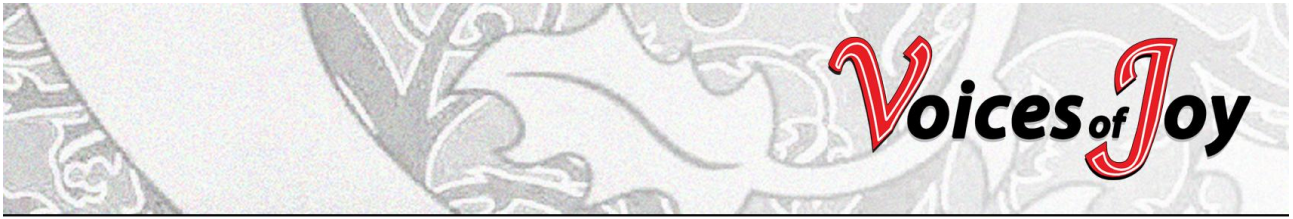

I will testify the love

I'M AVAILABLE TO YOU

You gave me my hands to reach out to man
To show him Your love and Your perfect plan
You gave me my ears, I can hear Your voice so clear

I can hear the cries of sinners
But can I wipe away theirs tears?
You gave me my voice to speak Your word,
To sing all Your praises to those who never heard
But with my eyes I see a need for more availability
I see hearts that have been broken
So many people to be free.

RIT:

Lord, I'm available to You
My will I give to You
I'll do what you say do
Use me, Lord
To show someone the way
And enable me to say
My storage is empty
And I am available to you.

I'm giving back to You all the tolls You gave to me
My hands, my ears, my voice, my eyes,
So You can use them as You please
I have emptied out my cup so that You can fill me up
Now I'm free, I just want to be more available to You.

RIT

Use me, Lord
To show someone the way
And enable me to say
My storage is empty and I am available to you (3x)
To you

I'M GOING ON

This Christian walk is a tedious journey
persecution's along the way
but I won't turn myself around until my journey's in
no matter what what they say
I gotta another step

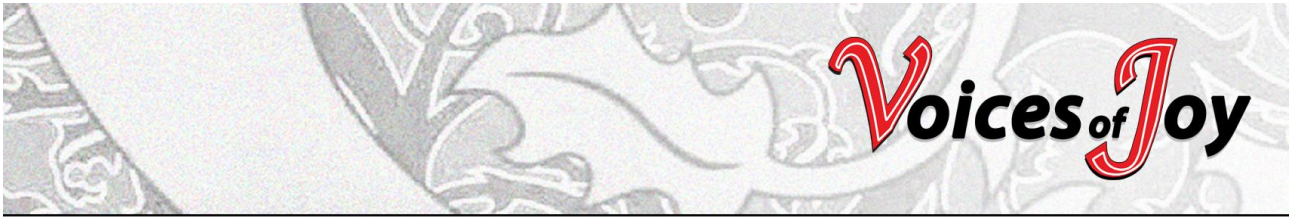

RIT:

I'm goin' on the stairs
I know the price to pay
I'm goin' on
I'm goin' another step
I know the price to pay
I'm goin' on

If now some kind confusion may slow me down
Oh, I will no stop I won't turn around no, no, no
I just call the Saviour: Jesus
He rise His love within me
He gives me courage and He tells me what to do.
I gotta another step

RIT

Now if I ever get blue for a little scar
I'll just remind myself to make me a real, real one
And if the kingdom told "this world
Is there about to fall the Earth"
Jesus, Jesus will be caring along
People if there be mountains I'll go through mountains

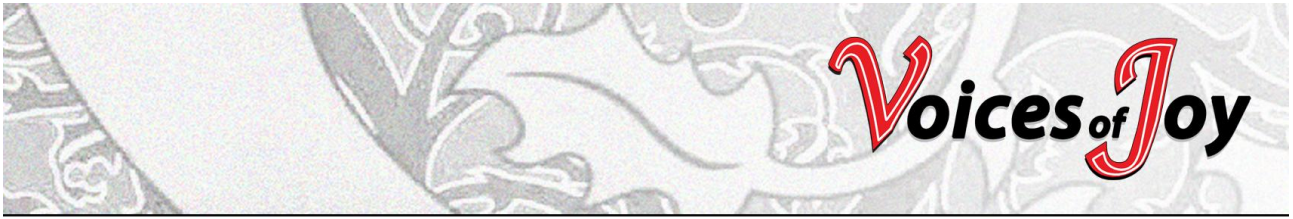

I'll go through the stormin' rain
Yes, for I never turn around
I'm gonna make it through no matter what they say
I gotta another step
RIT
I made up my mind
And if all the mountains will fall on the journey
People go through the stormin' rain through the stormin' rain
I've made up my mind
I'm gonna make it through no matter what they say
RIT
I'm goin' on (4x)
...uuuh...
I'm goin' on I'm goin' on ...uuuh... (4x)

New life, new hope, new joy He brings
Won't you listen to the angels sing
Glory, glory, glory
To the new born King

RIT
He was herald by the angels
Born in a lowly manger
The virgin Mary was His mother
And Joseph was His earthly father
Three wise men came from afar
They were guided by a shining star
To see King Jesus where He lay
In a manger filled with hay

RIT
Oh Jesus
Jesus
Mary's baby
Lamb of God
Heavenly child
Jesus
Jesus
I love Him

All mighty God
King of kings

Oh Jesus
Oh Jesus
Son of God
Oh Jesus

Glory...

NEVER ALONE

I've seen the lightning flashing and heard the thunder roll

I've felt sin's breakers dashing, trying to conquer my soul
I've heard the voice of Jesus telling me to fight on
RIT:

He promised never to leave me, no, never alone
Never alone, never alone, oh, never
Never alone, never alone
He'll never leave you alone

The world's fierce winds are blowing, temptations sharp and keen
I felt a peace in knowing my Saviour stands between
He stands to shield me from danger when earthly friends are gone
RIT

[INSTRUMENTAL SECTION]

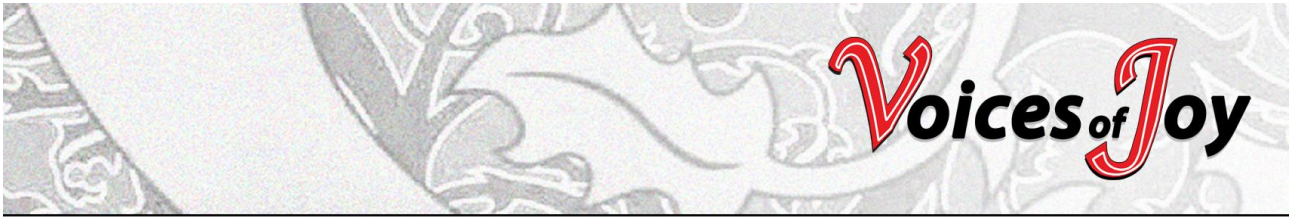

He'll never leave you alone
When in affliction's valley, I'm treading the road with care

My feet entangled with briars, ready to cast me down

Never never never (7x)
Oh, He'll never leave you alone

RIT:

This is the Gospel of Jesus Christ, yes
And I believe, every word of the Gospel of Jesus Christ (2x)

Seems like nobody really cared that he died at all
No one seems like no one cares
They didn't know that it all fit in His plan
Said if He died He would rise again on the third day
'Rise up,' said He, 'Rise'
He came for sharing our love
He lived disciple of love
He died to take away sin
He rose to start all again

WE ARE THE WORLD (USA FOR AFRICA)

There comes a time, when we hear a certain call
When the world must come together as one
There are people dying
And it's time to lend a hand to life
The greatest gift of all
We can't go on pretending day by day
That someone, somewhere will soon make change
We are all a part of God's great big family
And the truth you know
Love is all we need
RIT:

We are the world, we are the children
We are the ones who make a brighter day

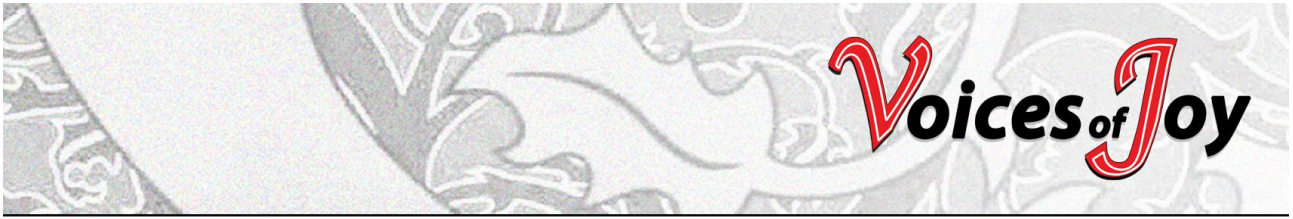

So let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me (2x)
Send them your heart so they'll know that someone cares
And their lives will be stronger and free.
As God has shown us by turning stones to bread
And so we all must lend a helping hand
RIT 2x
When you're down and out, there seems no hope at all
But if you believe there's no way we can fall
Let us realize that a change can only come
When we stand together as one
RIT 2x
RIT 2x

WHAT CHILD IS THIS

What child is this who laid to rest
On Mary's lap is sleeping?
Whom angels greet with anthems sweet

While shepherds watch are keeping?

RIT:

This, this is Christ the King
Whom shepherds guard and angels sing
Haste, haste to bring him laud
The babe, the son of Mary

Why lies he in such mean estate
Where ox and ass are feeding
Good Christian fear, for sinners here
The silent Word is pleading

RIT

Nails, spear shall pierce Him through,
The cross be borne for me, for you
Hail, hail the Word made flesh,
The Babe, the Son of Mary

RIT

So bring Him incense, gold, and myrrh
Come peasant king to own Him
The King of kings, salvation brings
Let loving hearts enthrone Him

RIT

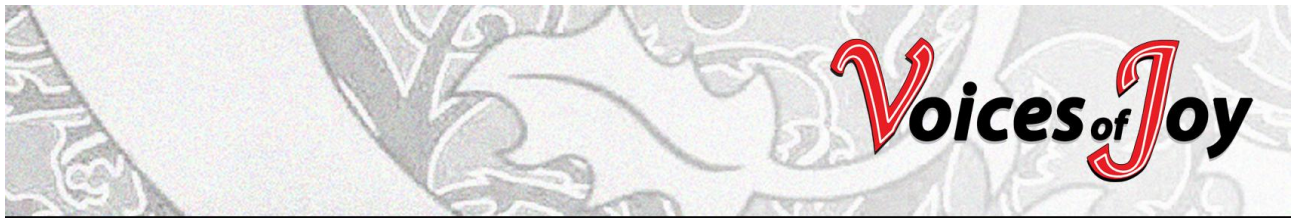

Raise, raise a song on high,
The virgin sings her lullaby.
Joy, joy for Christ is born,
The Babe, The Son of Mary

WHEN YOU BELIEVE

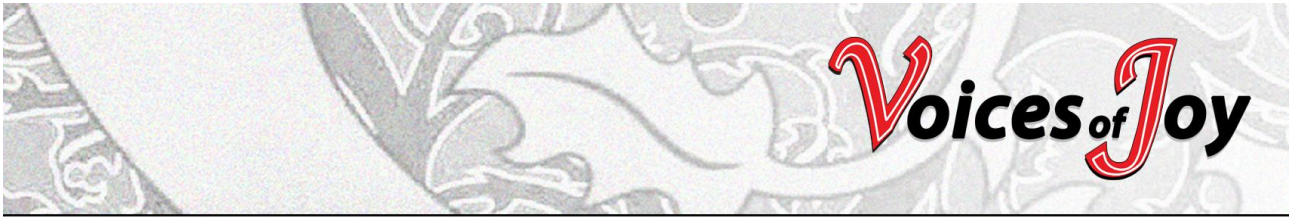

Many nights we prayed
With no proof, anyone could hear
In our hearts a hopeful song
We barely understood
Now, we are not afraid
Although we know there's much to fear
We were moving mountains
Long before we knew we could, whoa, yes
There can be miracles
When you believe

Though hope is frail, it's hard to kill
Who knows what miracles you can achieve?
When you believe, somehow you will
You will when you believe
Oh-oh-oh
Mmm, yeah
In this time of fear
When prayer so often proves in vain
Hope seems like the summer bird
Too swiftly flown away
Yet now I'm standing here
My hearts so full, I can't explain
Seeking faith and speakin' words
I never thought I'd say
There can be miracles
When you believe (When you believe)
Though hope is frail, it's hard to kill (Mmm)
Who knows what miracles you can achieve? (You can achieve)
When you believe, somehow you will
You will when you believe
They don't always happen when you ask
And it's easy to give in to your fears
But when you're blinded by your pain
Can't see the way, get through the rain
A small but still, resilient voice
Says, help is very near, oh (Oh)
There can be miracles (Miracles)
When you believe (Boy, when you believe, yeah)
Though hope is frail
It's hard to kill (Hard to kill, oh, yeah)
Who knows what miracles
You can achieve (You can achieve, oh)
When you believe somehow you will (Somehow, somehow, somehow)
Now, you will (I know, I know, know)
You will when you (When you)
Believe
You will when you (You will when you)
Believe
Just believe (Believe)
Just believe
You will when you
Believe

Just like the ones I used to know.

may your days be merry and bright
and may all your Christmases be white. (2x)
