

I STILL HAVEN'T FOUND WHAT I'M LOOKING FOR

I have climbed the highest mountain
I have run through the fields
Only to be with you
Only to be with you

I have run, I have crawled
I have scaled these city walls
These city walls
Only to be with you

But I still haven't found what I'm looking for (2x)

I have kissed honey lips
Felt the healing in her finger tips
It burned like fire
(I was) burning inside her

I have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night
I was cold as a stone

But I still haven't found what I'm looking for (2x)

I believe in the kingdom come
Then all the colours will bleed into one
Bleed into one
But, yes, I'm still running

You broke the bonds
And you loosed the chains
Carried the cross of my shame
Oh my shame, you know I believe it

But I still haven't found what I'm looking for (2x)

I have climbed I have climbed
the highest mountain highest mountain
I have run I have run
through the fields through the fields
Only to be with you Only to be with you
Only to be with you just to be with you

I have run
I have crawled
I have scaled
These city walls
These city walls
Only to be with you

But I still haven't found what I'm looking for (4x)

I believe in the kingdom come, all the colours bleed into one I believe
But I still haven't found what I'm looking for... (*ad libitum*)
But I still haven't found what I'm looking for
