

I'M GOING ON

This Christian walk is a tedious journey
 persecution's along the way
 but I won't turn myself around until my journey's in
 no matter what what they say
 I gotta another step

RIT:

I'm goin' on the stairs
 I know the price to pay
 I'm goin' on
 I'm goin' another step
 I know the price to pay
 I'm goin' on
 If now some kind confusion may slow me down
 Oh, I will no stop I won't turn around no, no, no
 I just call the Saviour: Jesus
 He rise His love within me
 He gives me courage and He tells me what to do.
 I gotta another step

RIT

Now if I ever get blue for a little scar
 I'll just remind myself to make me a real, real one
 And if the kingdom told "this world
 Is there about to fall the Earth"
 Jesus, Jesus will be caring along
 People if there be mountains I'll go through mountains
 I'll go through the stormin' rain
 Yes, for I never turn around
 I'm gonna make it through no matter what they say
 I gotta another step

RIT

I made up my mind
 And if all the mountains will fall on the journey
 People go through the stormin' rain through the stormin' rain
 I've made up my mind
 I'm gonna make it through no matter what they say

RIT

I'm goin' on (4x)
 ...uuuh...
 I'm goin' on I'm goin' on ...uuuh... (4x)
 I'm goin' go goin' goin' on oh I'm goin' on (3x)
