

LOVE THE ONE YOU'RE WITH

There's a Rose in a fisted Glove
And the eagle flies with the dove
And if you can't be with the one you love it's alright
Go ahead and love the One, love the One, love the One you're with
Love the One, love the One, love the One you're with. Come on
If your guy can't come to you
And you don't remember who you're talking to
Your concentration sleeps away
Because your baby, she is so far away

RIT:

And there's a rose in a fisted glove
And the eagle flies with the dove
And if you Can't be with the One you love
Love the One you're with (x4)

Don't be angry, don't be sad
Don't sit cryin' for good times you had
There's a girl right next to you
And she's waiting for something to do
